Re: Constitution Committee Preliminary Report

Greetings:

We are aware of the Constitution Committee's preliminary report **(#5 Article IX-Executive Board - Elimination of T&T Vice President From Executive Board) .** We respect the democratic process; the Convention is the highest authority in our Union. Our work is valuable and we believe there is a clear misunderstanding of the scope of the work done in our office. No matter the outcome, we will always fight for the Independent Telecoms and the National Contracts in our office to have strong representation and a strong voice in our

Union.

We remain committed to the membership to continue to serve, support and fight for your rights.

Sincerely,

Lisa M. Bolton, Vice President

CWA Telecommunications & Technologies
