CWA Radio Ads: AT&T's Tax Breaks and Broken Promises!

CWA is running these ads to raise awareness of AT&T's broken promise to [use a portion of its \\$20 billion tax break to "create 7,000 good jobs for the middle class"](#) and to ask members of Congress who voted for AT&T's \$20 billion tax break to hold the company accountable.

If tax reform passes, AT&T CEO Randall Stephenson said; ***"the company will spend "at least" \$1 billion in capital expenditure and be able to create an estimated 7,000 jobs."***
